She was the daughter of a serial killer and she was living in his houseâ€¦

After years of searching war torn Afghanistan for his MIA brother, Vincenzo Barretti has finally come home and now heâ€™s ready to settle back into life as co-founder of Barretti Security Group. But his home is no longer cold and empty the way he likes it.

Mia Hamilton needs a quiet place to hide from the press to try to rebuild her life. Being the daughter of a notorious serial killer is bad enough, but being the one who killed him has made her a target for every news agency in the world. She wants nothing more than to be left alone, but the reporters are relentless and will stop at nothing to get their story. With no place to go, she accepts an offer from Dominic Barretti to stay at his older brotherâ€™s home until she can figure out what to do next. But she didnâ€™t expect the homeowner to return so soon or to feel something sheâ€™s never felt when heâ€™s around.

Vin doesnâ€™t need or want a woman in his life and certainly not one that comes with so much baggage. So what if Mia evokes feelings in him he thought were long dead? Sheâ€™s a liability and he wants her gone. But forcing the quiet, strong-willed young woman from his life turns out to be a lot harder than he thoughtâ€¦

This book is part of a series but can be read as a standalone. No cliffhangers.
