We do not have responsibility with copyright of this book.

The year is 1982, the setting an Edenic hamlet some 90 miles north of New York City. There, among the craggy rock cliffs and glacial ponds of timeworn mountains, three friends—Patrick, Matthew and Hannah—are bound together by a single, terrible, and seemingly senseless crime. Twenty six years later, in New York City, living lives their younger selves could never have predicted, the three meet again—with even more devastating results.
